

Sportsmanship

Hamilton Heights High School is expected by the IHSAA to provide a safe environment that promotes good sportsmanship for officials, coaches, players and visiting fans. At a time when society is expecting increased incidents of physical confrontations and unmanaged anger associated with sports at all levels, Hamilton Heights High school wishes to keep our athletes, officials, coaches and fans safe by insisting on proper behavior and promoting our positive reputation for good sportsmanship.

Hamilton Heights High School will not condone or permit inappropriate behavior towards players, school staff, the opposing school, or the game officials.

Parents and fans that violate the high standards of sportsmanship that we expect will be removed from the contest or premises and may face temporary or permanent banishment from attendance at Hamilton Heights High School athletic events.

Remember, buying a ticket does not give you the right to act inappropriately; it simply gives you the right to attend. We have some very talented teams at Hamilton Heights and they deserve your positive support. We strive to make good sportsmanship at Hamilton Heights a expectation where the players play, the coaches coach, the officials officiate, and the fans are positive!

Go Huskies!
